

SQUAD 10 Credits & Graduation Progress Review

Graded Assignment 03 | Period 6 | B Day | Room N203

Student name: _____ Date: _____

01 Open your records

Open StudentVUE and locate your transcript, course history, or graduation-progress information. Use the information you see there to complete this review. If something is unclear, write “not sure” instead of guessing.

02 Credit snapshot

Total credits earned (find in StudentVUE)

Based on what I see, my graduation progress is...

- ☐ On pace ☐ Mostly on pace - one area needs attention
☐ Behind in one or more requirements ☐ I need help reviewing it

Requirements or subject areas where I have earned credit

Subject area	Credits earned	Note or question

Submit your completed document through Canvas. Do not enter a student ID.

03 Look for gaps

Review your record carefully. Use NG (No Grade) when that is the designation shown in StudentVUE.

Incomplete, missing, or uncertain graduation requirements

Courses marked NG or credit that may need to be recovered

Course	What StudentVUE shows	Question or next step

Current classes or grades that could affect future credit

Credit-recovery status

- ☐ No recovery appears needed ☐ I need confirmation
- ☐ I need a plan ☐ I already have a plan

Submit your completed document through Canvas. Do not enter a student ID.

04 Ask and follow through

Question I want answered about my credits or graduation progress

Specific next action

Person who can help or confirm

I will complete this action by

05 Before you submit

- ☐ I used StudentVUE rather than guessing about my credits.
- ☐ I identified any requirements, NG courses, or questions that need attention.
- ☐ I chose one specific follow-up action, a support person, and a date.
- ☐ I saved this document with my name in the filename and uploaded it to Canvas.

Submit your completed document through Canvas. Do not enter a student ID.
