

SQUAD 10 Sophomore Academic Check-In

Graded Assignment 02 | Period 6 | B Day | Room N203

Student name: _____ Date: _____

01 Purpose

Take an honest academic snapshot, identify what matters most, and leave with one manageable next move.

02 Academic snapshot

Overall, how is school going right now?

☐ Strong start ☐ Mostly okay ☐ Mixed - I need a plan

☐ Difficult - I need support ☐ Not sure yet

Credits earned so far (find in StudentVUE)

Classes, habits, or parts of school that are going well

Class, credit, assignment, or other concern that needs attention

Submit your completed document through Canvas. Do not enter a student ID.

03 Current classes

Use StudentVUE to check your current courses and grades. Add any missing work, questions, or next steps that deserve attention.

Course	Current grade	Missing work or concern	Next step

04 Habits that matter

Attendance and arriving on time

☐ Consistent and on time ☐ Mostly consistent ☐ Absences/tardies affect me ☐ I need help

Keeping track of work and deadlines

☐ My system works ☐ I miss some things ☐ I need a better system

☐ I am not sure what to use

One strength or habit from ninth grade I want to keep

One habit or pattern I want to change this year

Submit your completed document through Canvas. Do not enter a student ID.

05 Support network

People or resources I can use for support

What support do you need from Mr. Jones?

06 Leave with a move

My most important academic priority right now

The specific action I will take

I will complete it by

07 Before you submit

- ☐ I checked my credits and current grades in StudentVUE.
- ☐ I answered every section honestly and specifically.
- ☐ I included one realistic action and a completion date.
- ☐ I saved this document with my name in the filename and uploaded it to Canvas.

Submit your completed document through Canvas. Do not enter a student ID.
